1 “A Resolution to Support a 1, 5, and 10 Year Sustainability Plan”

2 Whereas: TCU is neither ranked in The Princeton Review’s “Top 50 Green Colleges”
3 system, nor given the title of “Green College,” and

4 Whereas: TCU lacks a formal, published sustainability plan which is commonplace at
5 other comparable universities, and

6 Whereas: TCU lacks a sustainability director and office which are present at 80% of other
7 Big 12 universities, and

8 Whereas: TCU’s mission statement emphasizes ethical leadership and responsible
9 citizenship in a global community, which would be enhanced by a 1, 5, and 10
10 year plan; therefore,

11 Let it be resolved by the House of Student Representatives at Texas Christian University:

12 (1) That SGA supports the initiatives and corresponding timeline outlined in the
13 attached appendix.

14 (2) That future student Directors of Sustainability be charged with upholding and
15 updating the 1, 5, and 10 Year Plan.
